OUR STRENGTH AND VALUES

We take pride in our culture that is built on a strong focus on technology and learning, and is a reflection of our commitment to excellence.

RETAIL TRANSFORMATION THROUGH ROBUST PRODUCTS

We use cutting-edge technology to build, maintain, and support robust software for parent company Transformco, ensuring a seamless experience for customers, be it in online or offline stores.

CONTINUOUS LEARNING AS PART OF GLOBAL PROJECTS

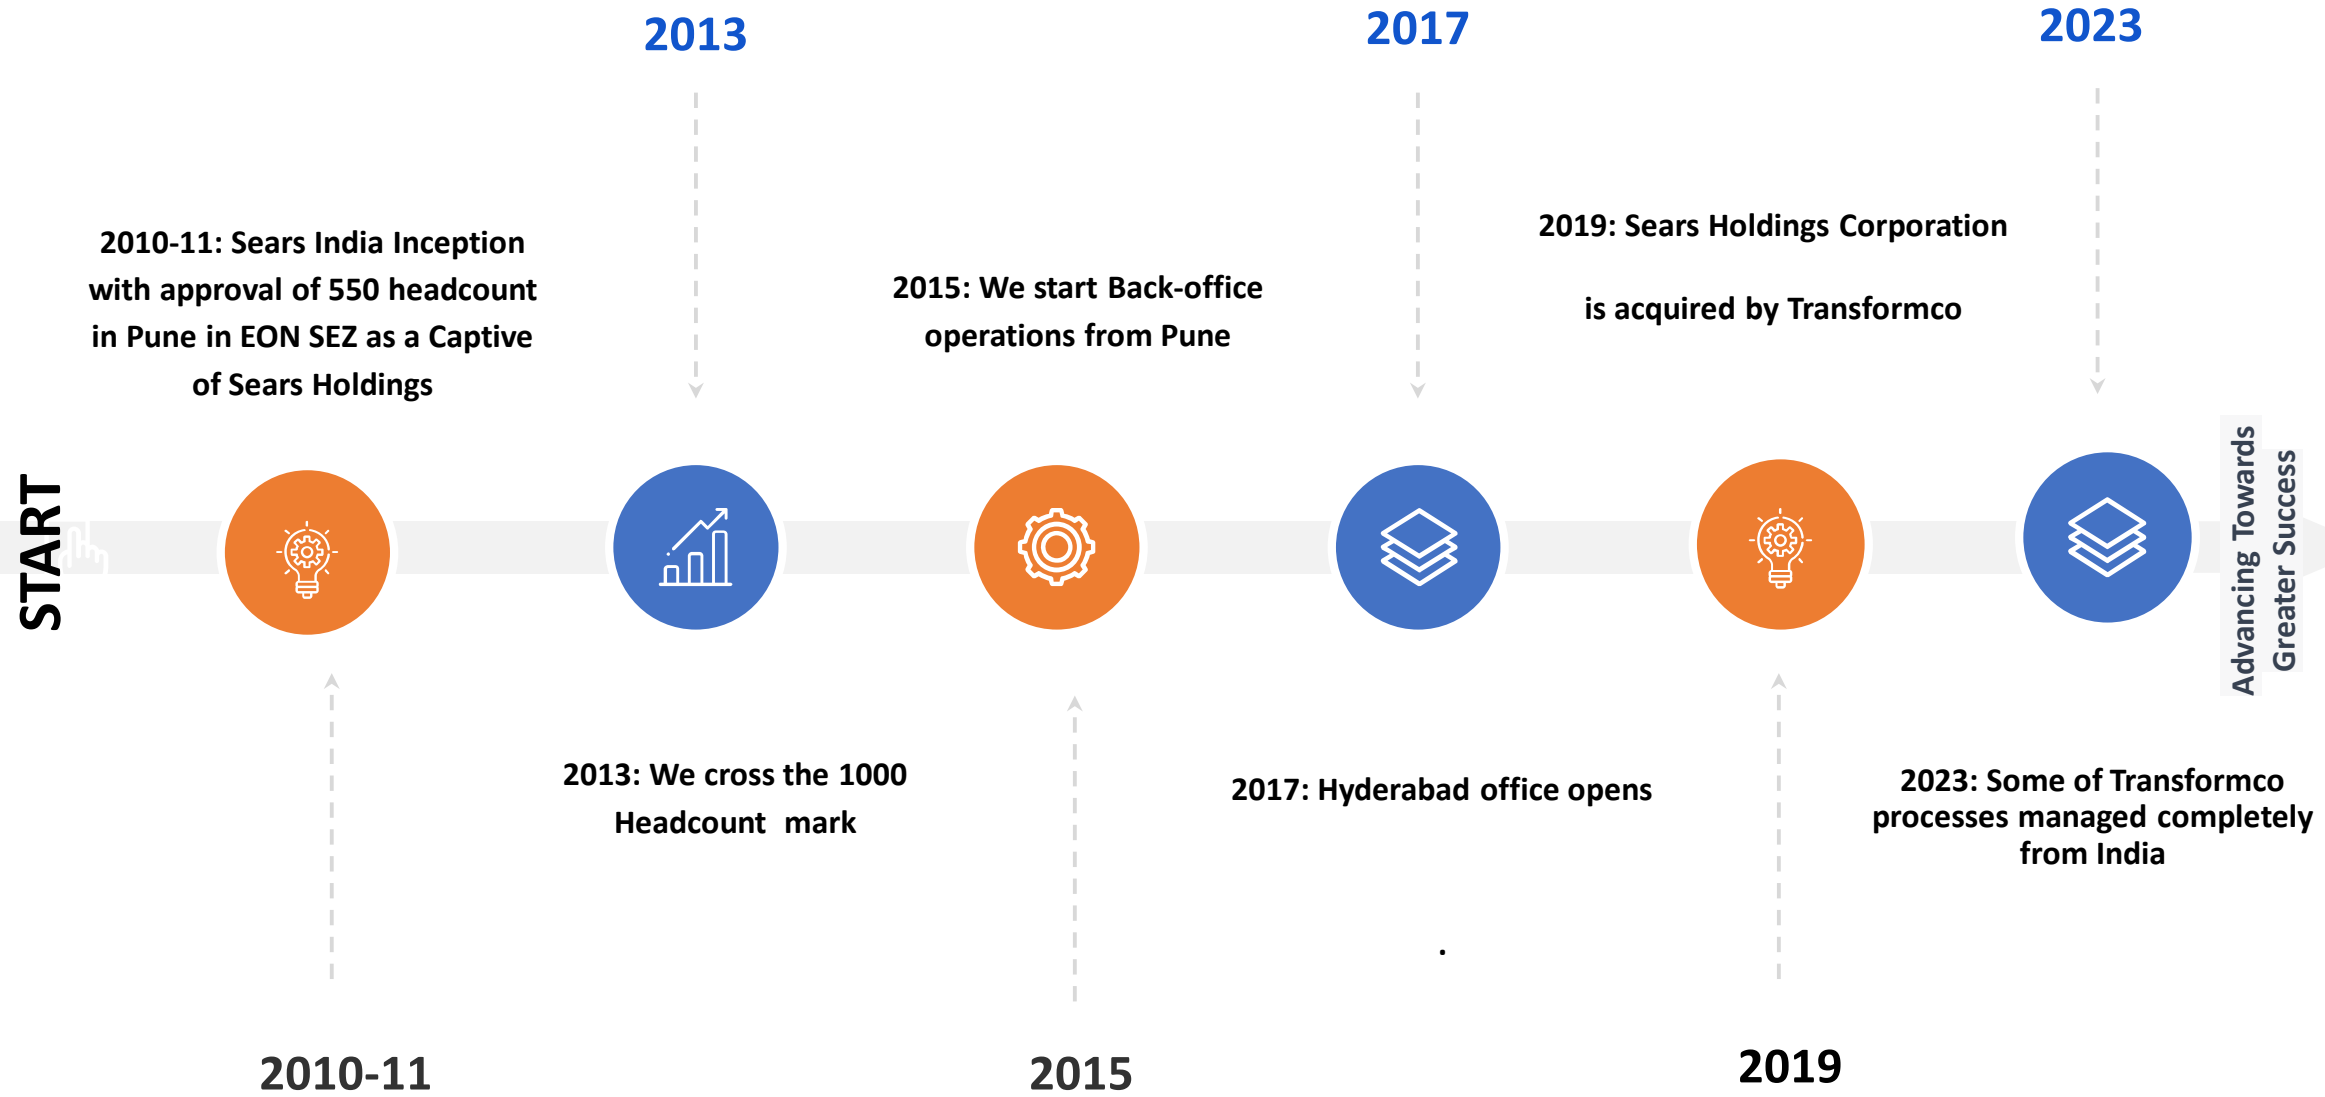

We celebrate new ideas and entrust every associate with key responsibilities. As we work in partnership with our parent company, learning becomes a by-product of the niche projects.

WE TURNED 100 EVEN BEFORE WORLD WIDE WEB WAS BORN

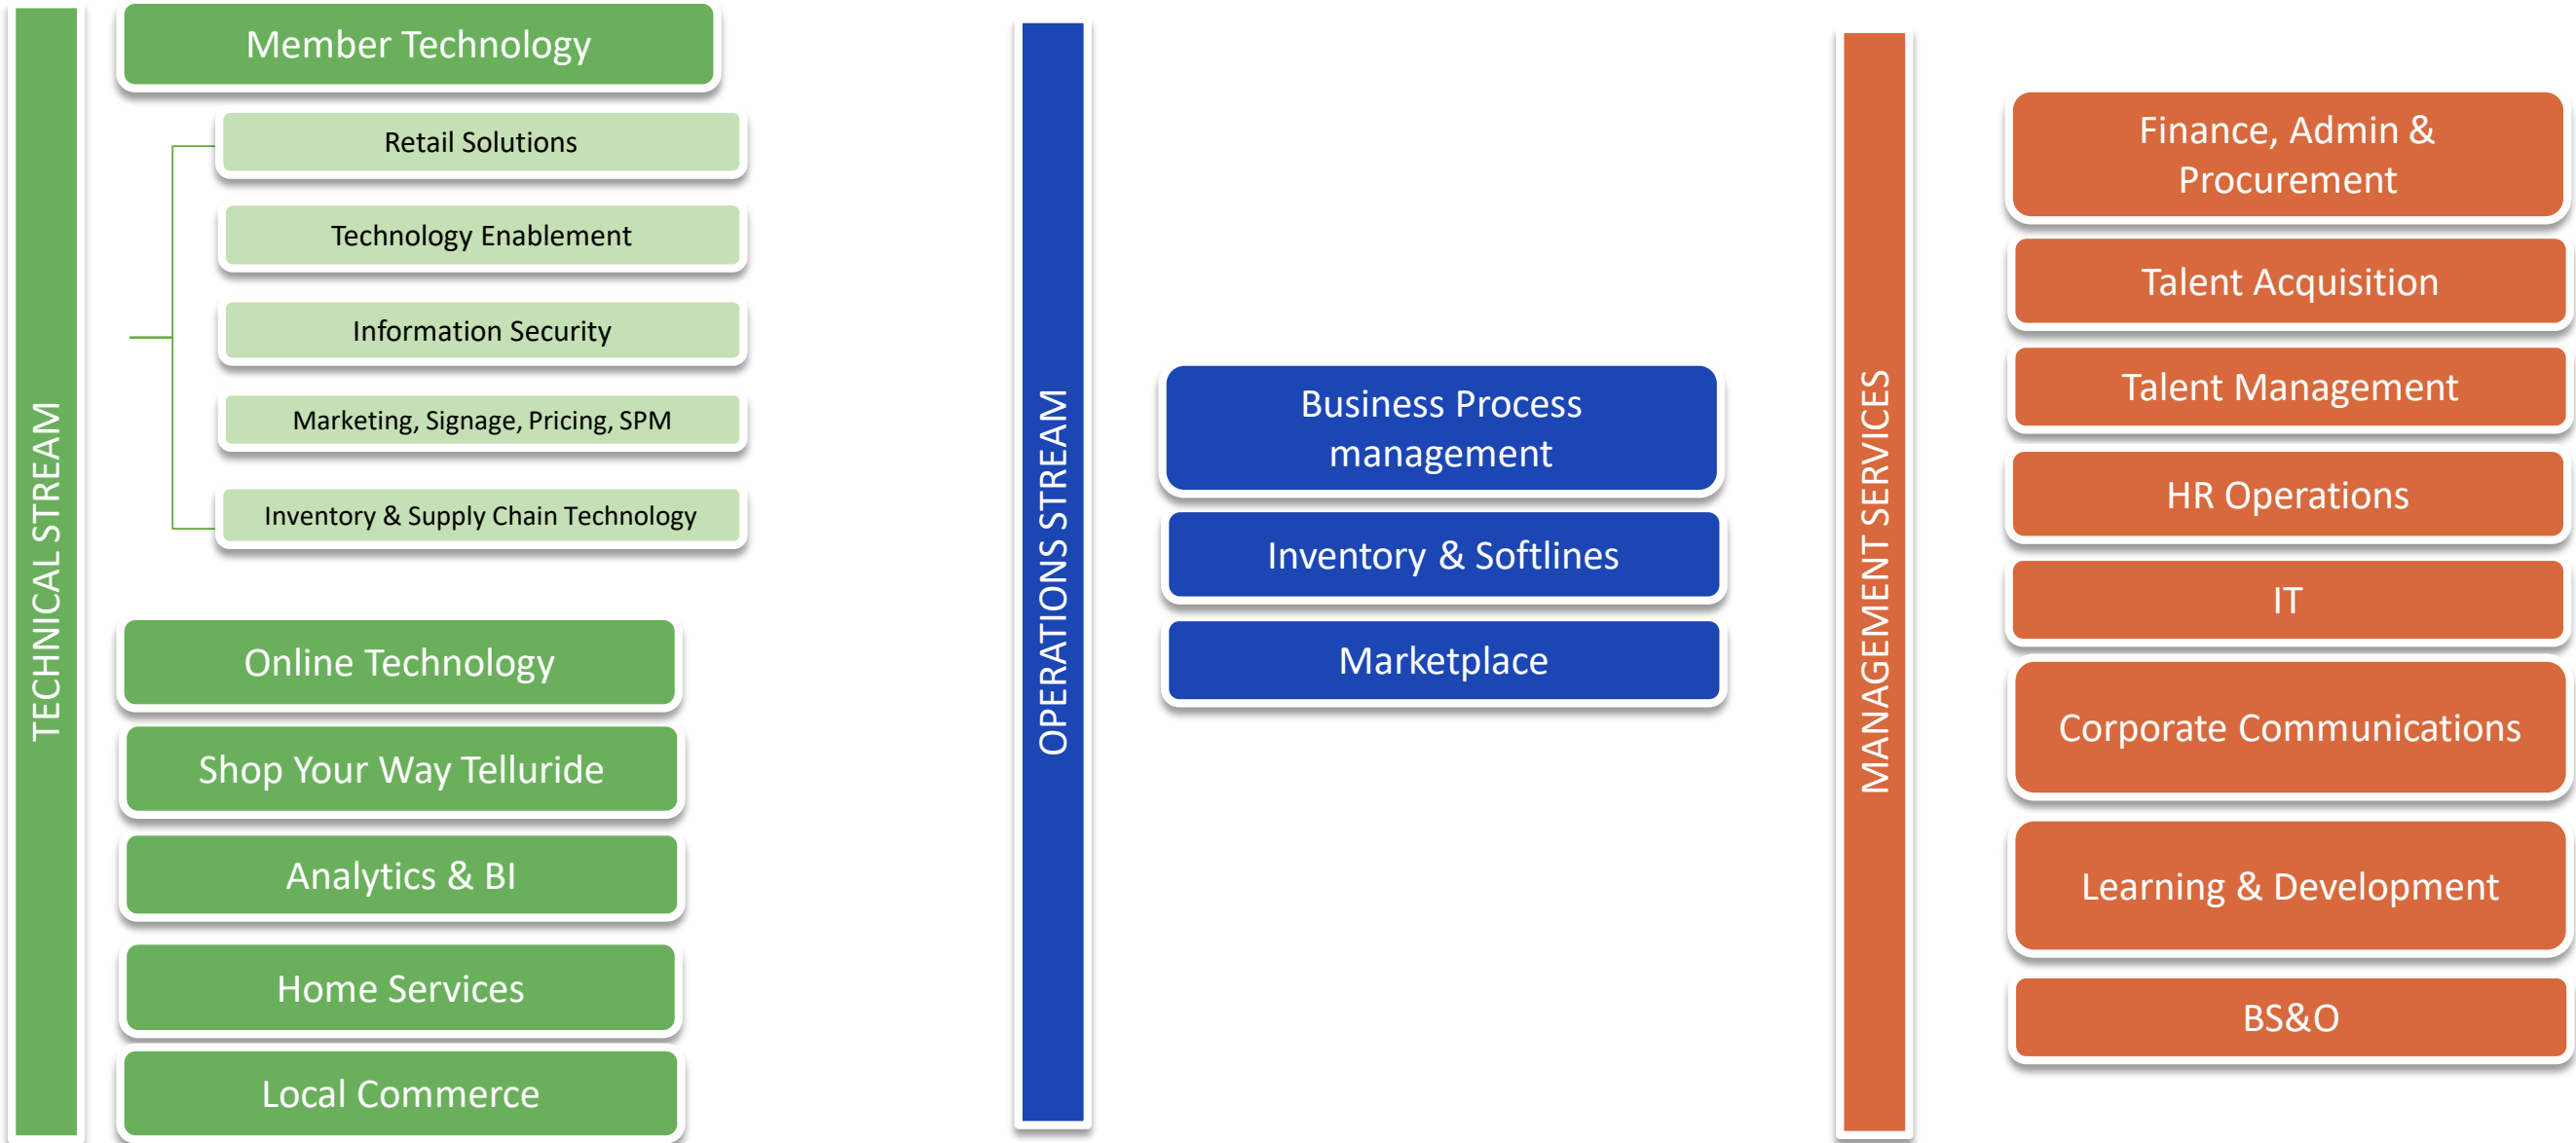

From pioneering the first retail catalog, launched in 1888 to the e-commerce leap with Sears.com in 1999, we continue to shape the American shopping experience.

“An agile approach, cutting-edge technology, and a digital mindset keep us relevant and poised for continued growth.”

S

All associates shall be rostered in shifts in ZingHR at least one week prior to the onset of a month.

H

The roster shall be shared with the concerned stakeholders in the last week of the month for the next month.

I

Any changes/swapping of shifts shall be approved by RM in advance and the inputs shall be shared with the payroll team.

F

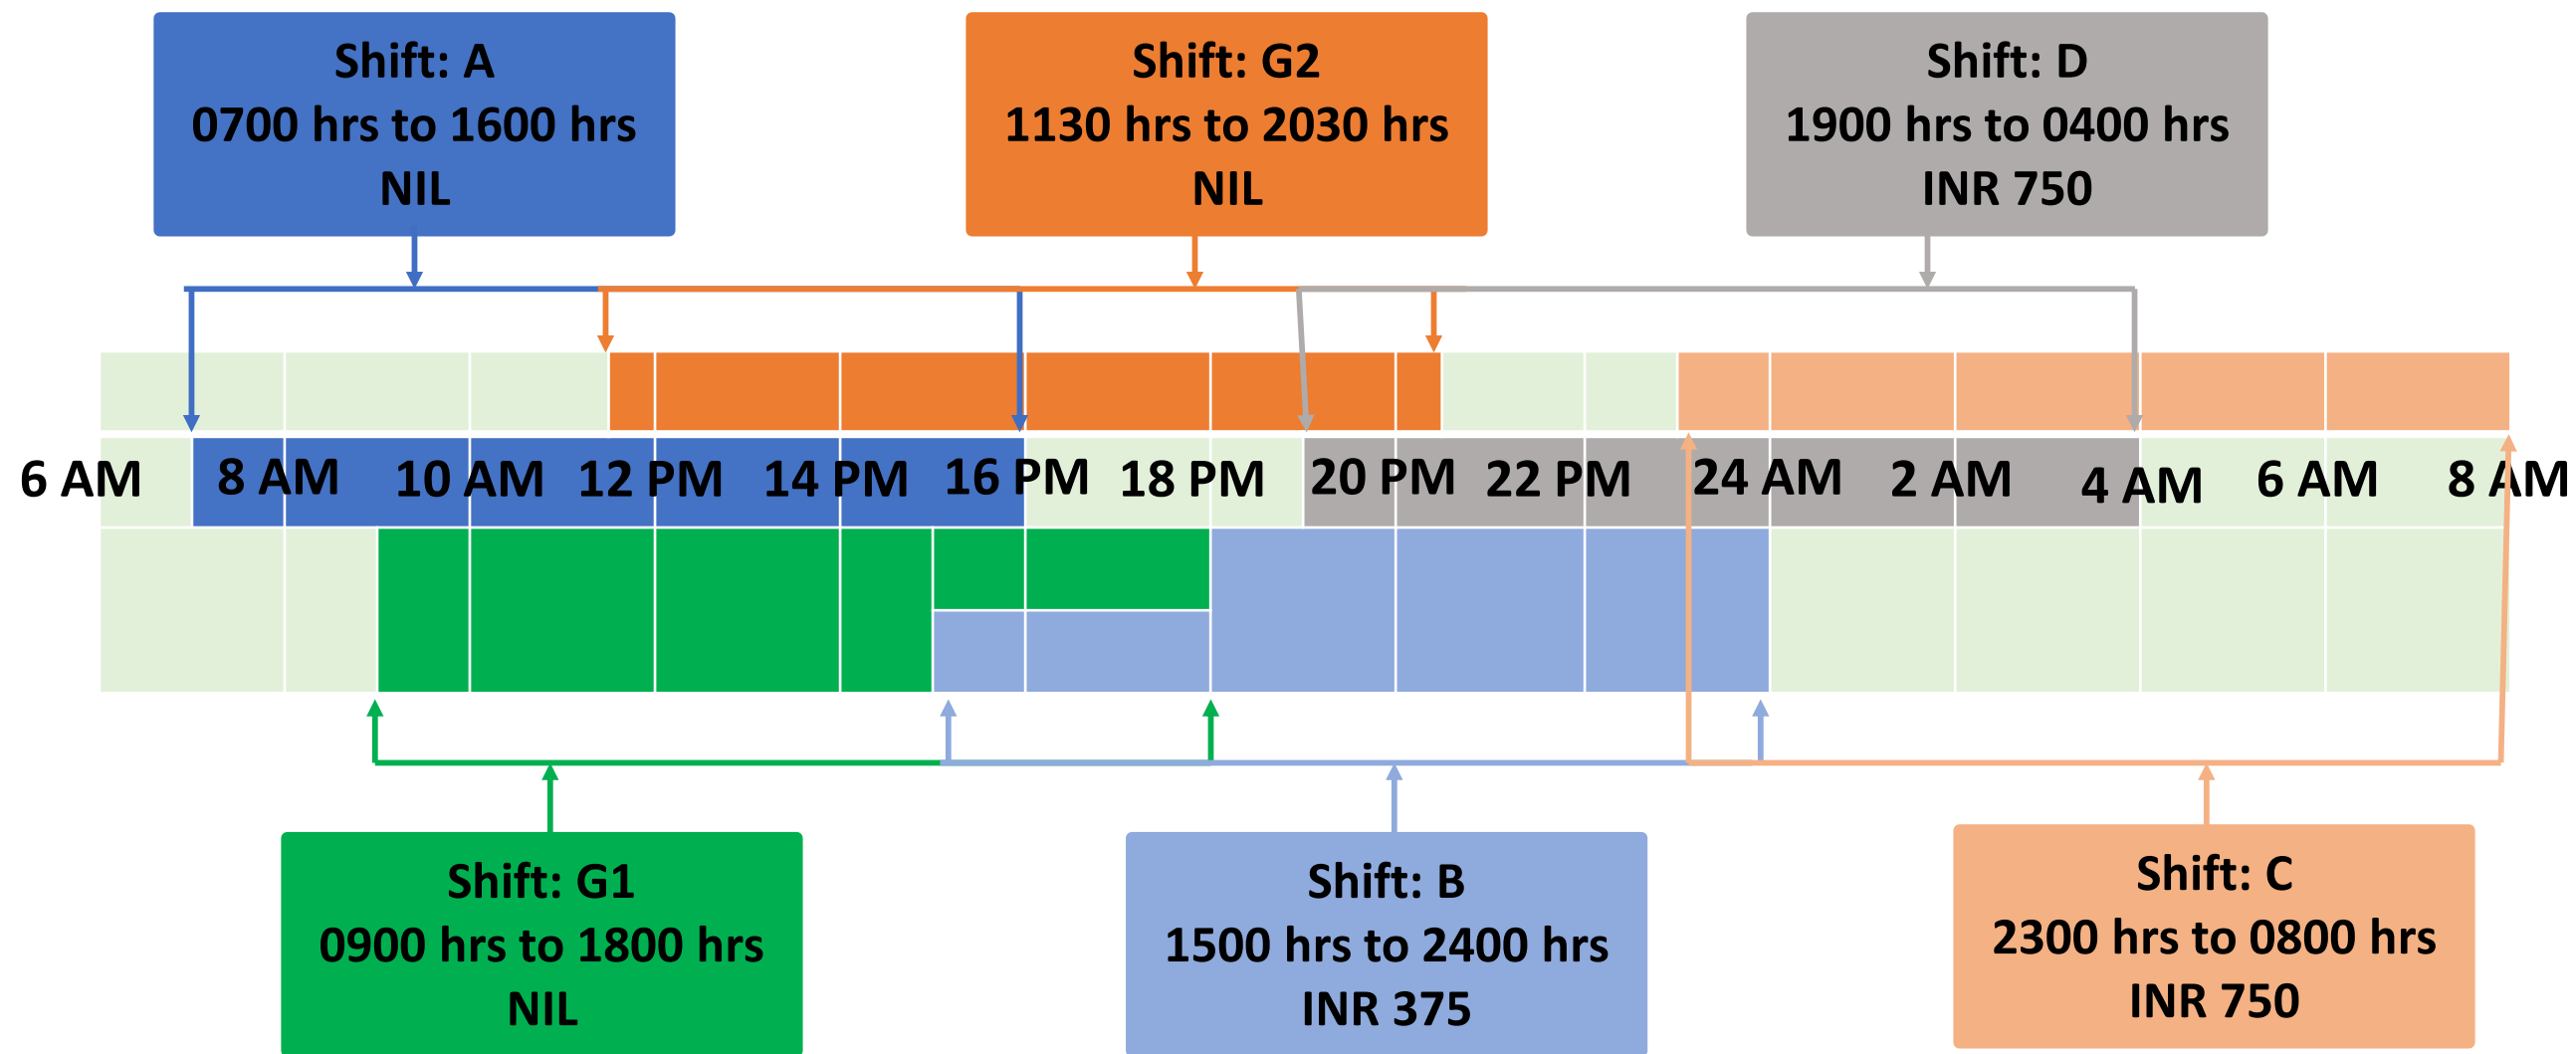

The amounts are per shift basis and would be paid out 'on actuals' i.e. on the attendance in shifts for the month and number of swapped shifts duly approved.

T

Associate swipe data captured through the access card shall be taken as the attendance of the associate during the shift. Any discrepancy in the attendance

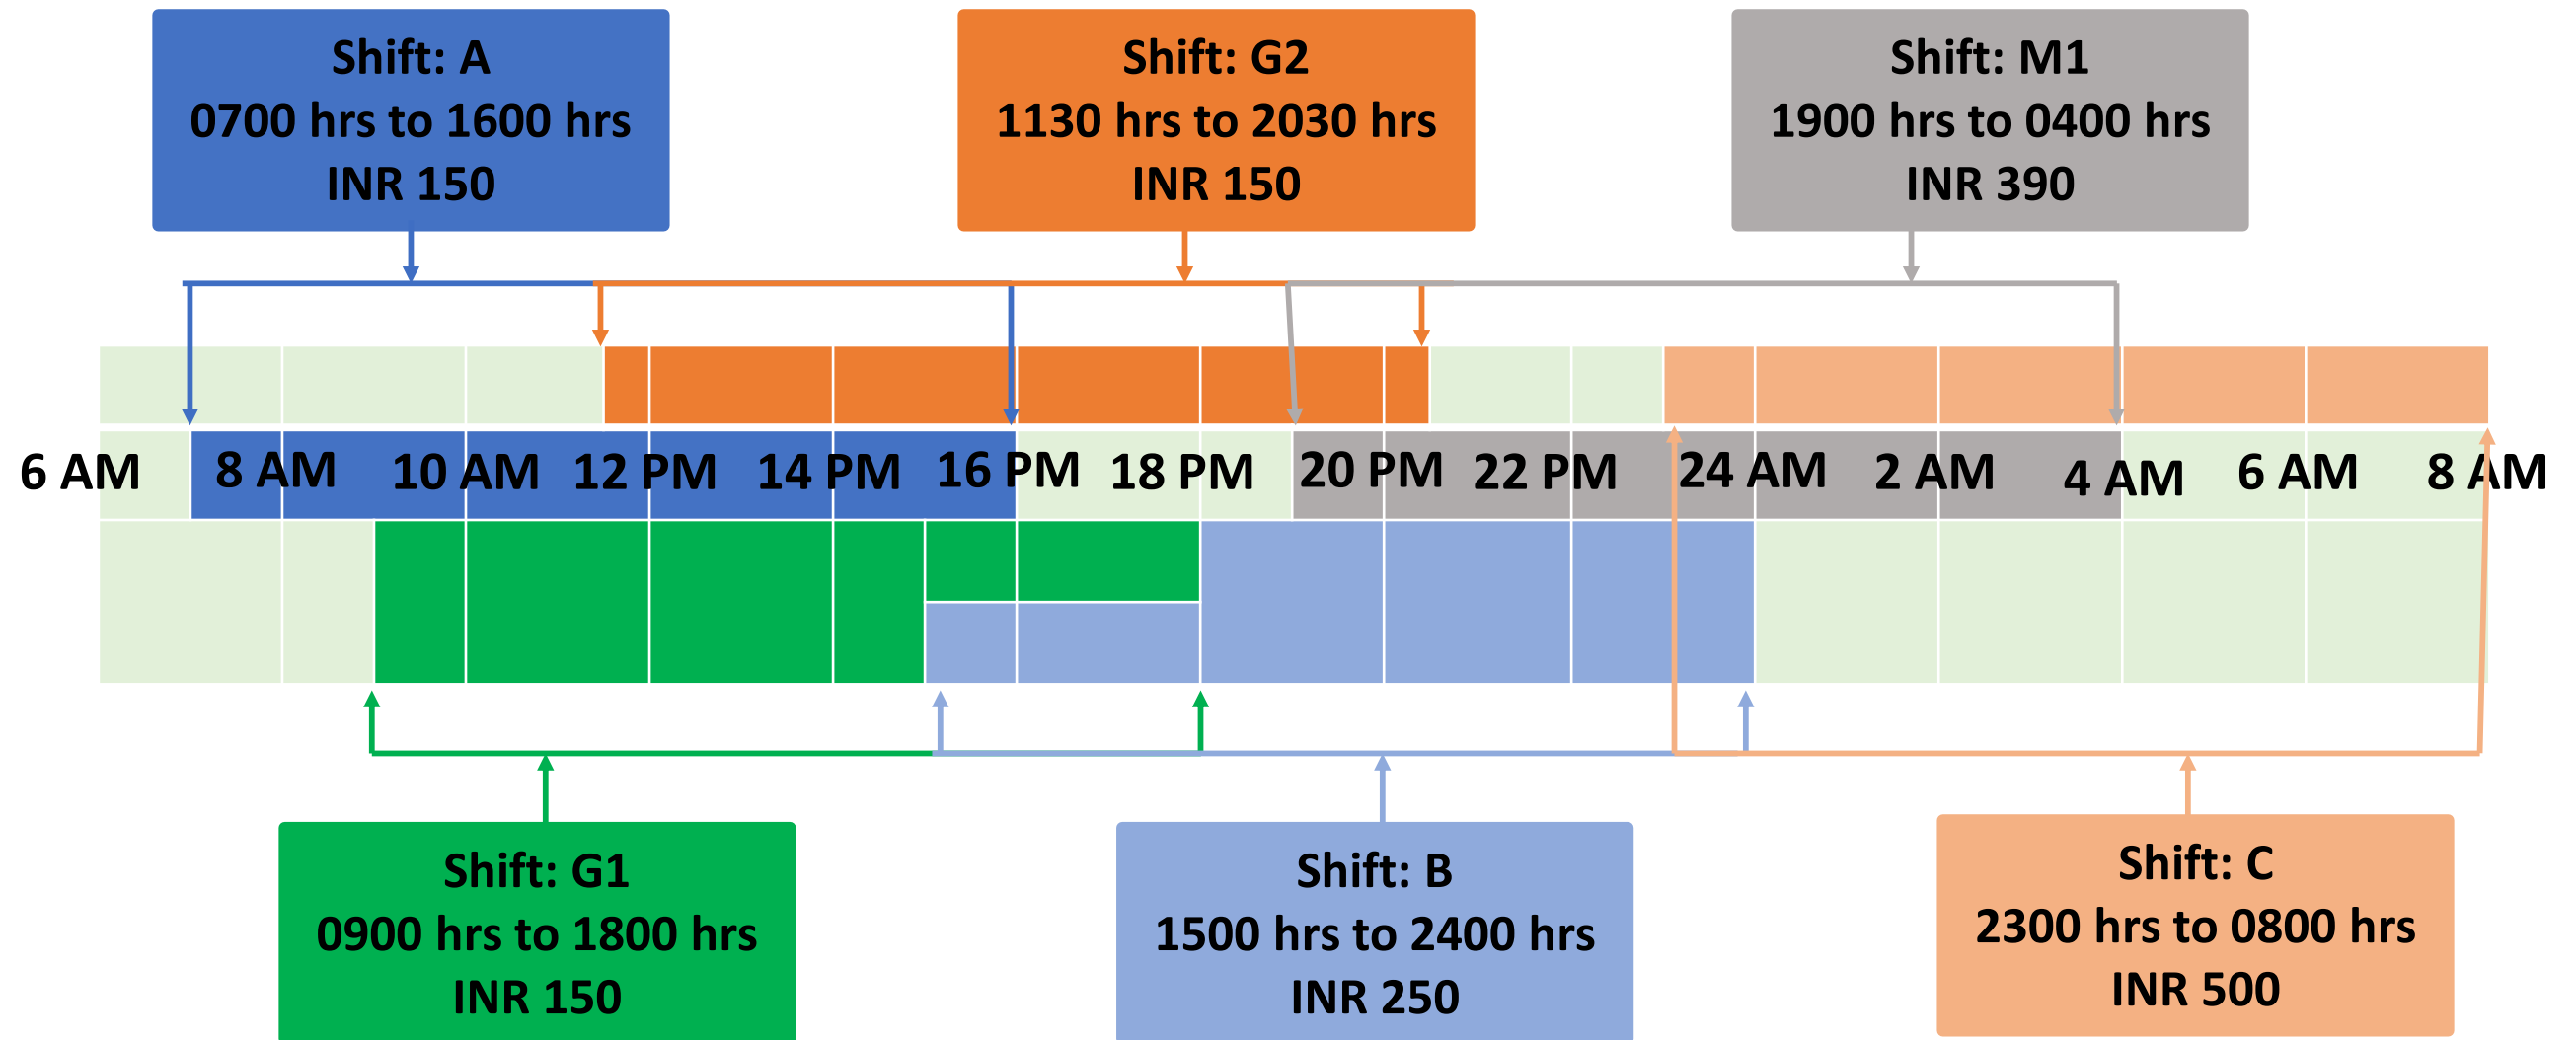

Note: RM/L1 shall update the roster periodically in ZingHR providing the details of the associate working in various shifts

Shift Allowance - Technical

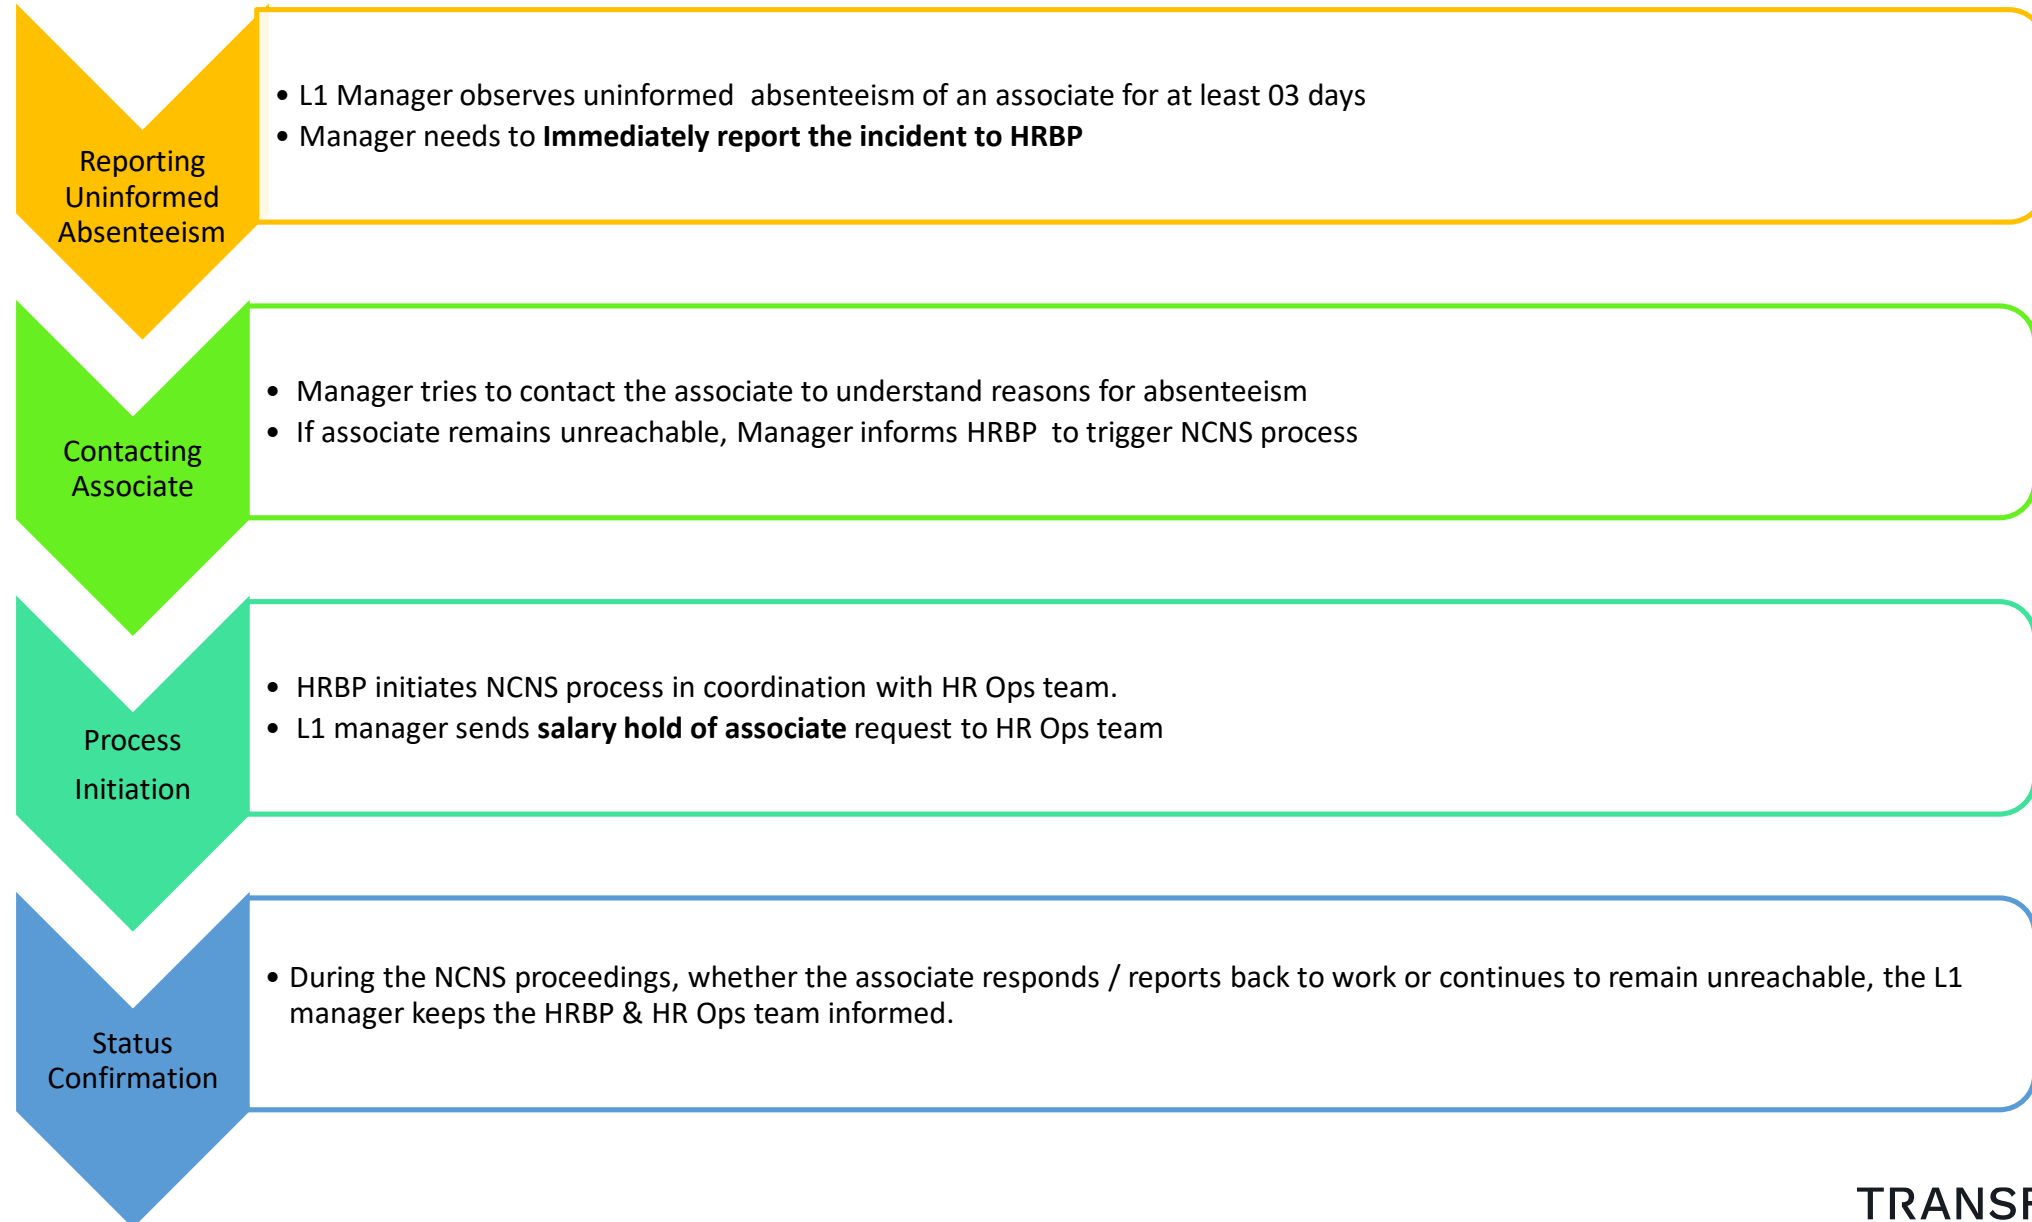

*This is applicable only to Technical associates

Shift Allowance - BPM

*This is applicable only to SHI BPM associates

Uninformed Absenteeism – NCNS Process

Proceedings of No-Call No-Show

As soon as the uninformed absenteeism is reported to HR by L1 Manager –

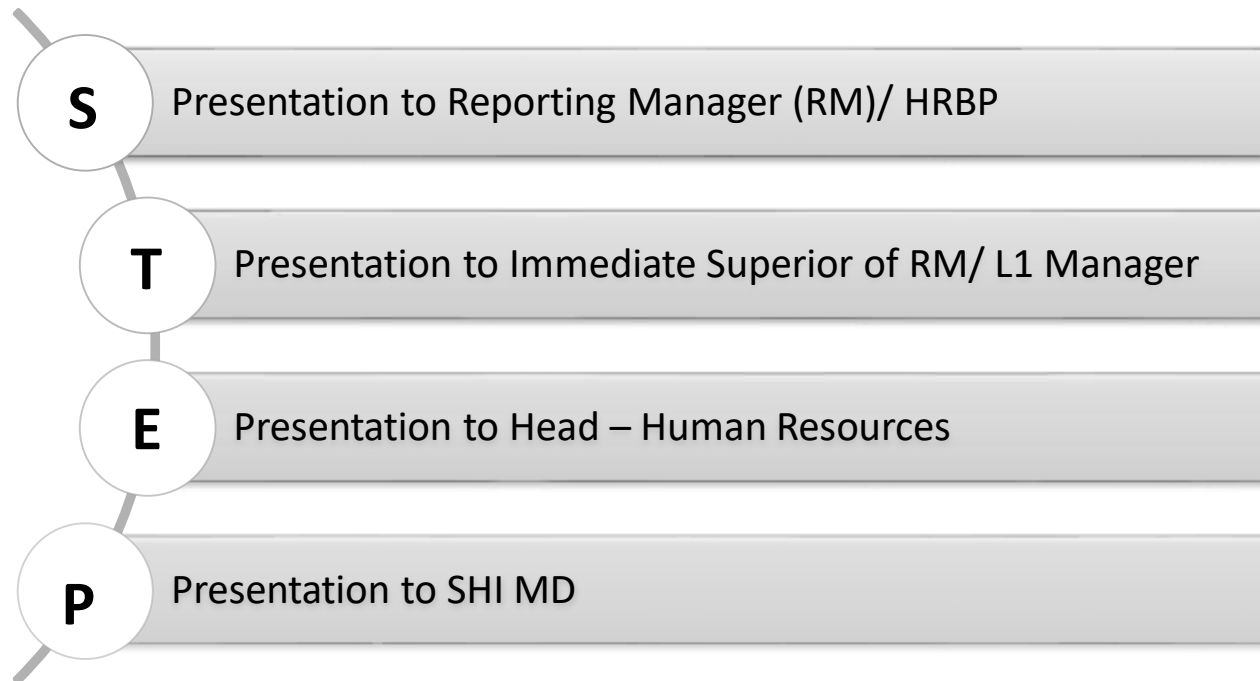

- 1st warning letter is dispatched via post and/or associate's official and Personal email ID on 4th day from the date of absenteeism
- 2nd warning letter is dispatched via post and/or associate's official and Personal email ID after a wait period of **03 days** (from the date of issue of first warning letter).
- Termination letter via post and/or associate's Personal email ID after a wait period of **03 days** (from the date of issue of second warning letter).

Note: Incase an associate responds to any of the warning letters, the above steps may be fast-forwarded as depicted in below scenarios.

Scenarios	Action Taken
Associate responds upon receipt of 1 st /2 nd warning letter stating his/her inability to - continue employment with SHI / serve the applicable notice period	In such a case, it is considered as 'willful abandonment' of services by the associate. HR seeks approval from SHI MD and proceeds with issuance of termination letter directly
Associate resigns with immediate effect stating his/her inability to serve any of the applicable notice period amounting to No-Call No-Show	In such a case, it is considered as 'willful abandonment' of services by the associate. HR seeks approval from SHI MD and proceeds with issuance of termination letter directly

Associate Grievance Handling

Company encourages associates to discuss any **job-related issues with their Reporting Manager**. It is expected that such discussions will continue to be the primary method of settling most problems or complaints. However, the associates can also follow the matrix below to redress their grievances:
